Christmas collections

The total figure for the Asda collections was £3341 (last year £3284 was collected).

For the joint collection with Round Table & Continuity (i.e., the mobile float), the gross figure before *Just Giving* receipts or refurbishment outgoings was £9608 (last year the exceptional sum of £10959 was collected).

In addition, Roger Green received a personal donation of £500 plus £100 collected at Rotherham Golf Club using the mobile float. He will distribute this between our Benevolent Fund (which includes the Asda Float) and the mobile float (from which we receive 1/3).

Thank you to everyone for making this a really enjoyable set of Christmas Collections. All problems found solutions! We spread some happiness!

Happy Birthday
